

## BANK BUILDING TO GO UP BIGLERVILLE BANK TO OPEN IN ITS OWN BUILDING.

The Enterprising Town of Bigler-ville Needs a Public Water System.

Biglerville, July 21. The Biglerville National Bank bought a lot of Wm. H. Lauver at corner of South Main and East York streets last week for \$150. The lot is well located at the square in town. A one-story brick building twenty by thirty feet will be erected on this lot at once. Ground will be broken this week for same.

S. N. Bowers has sold his property on East York street to David A. Lauver, terms private.

The five little borough of Biglerville with its pretty homes, enterprising bank, big new hotel, its mills and factories need for the protection of health good drinking water and for protection from fire a public water system. The water can be had if brought two miles and gravity will bring it with a pressure to go over any building in this place. The borough ought to own its own water works, or if that is too much to undertake now a private company would certainly make out of water works a paying investment. There is the bank to finance any such undertaking. Why shouldn't Biglerville have water works?

## VISITED BY HEAVY STORMS

East Berlin, July 31.—Last Saturday we had one of the heaviest rain and wind storms we had this summer. The plowed fields were washed out and the corn was blown down.

Sunday afternoon the heaviest thunder and lightning storm of the summer followed. We have had nothing like it for years. Lightning struck a big locust tree near town at James Spangler's residence. The tree is about twenty feet from the house where there is a wire wash line running from tree to a smaller locust tree then to a corner of the house, which is part stone and part frame. The lightning followed the wire and tore out some stone and a good bit of weatherboarding.

A Dallastown camping party, 8 in number is located near the East Berlin Milling plant in a locust grove between the race and the Conowingo.

C. M. Spahr our enterprising merchant at the Red Front store has his store room lighted with acetylene gas lights. It throws a good light on the street. Mr. Spahr has the agency for the acetylene gas lights in Adams and part of York counties.

The town has more concrete walks. John Jurgard having made a walk around his house last week. E. L. S.

## WALNUT TIMBER FOR ORGANS

Iron Springs, D. R. McClellan has shipped his entire lot of walnut boards consisting of about 12,000 feet to M. P. Miller at Hagerstown, Md., who is engaged building organs and pianos. Frank Watson made a business trip to Gettysburg recently.

Wm. Heagy, Sr., at Fairfield Station, who had been in Franklin county harvesting for five or six weeks, returned home last week.

Those who took in Pen-Mar at the Lutheran reunion on last Thursday were your correspondent and wife, Mrs. John Baker and two sons Robert and Harry, also her daughter Miss Addie Baker. Those who went from Jack's Mountain Station to the Lutheran reunion were Dr. Heyser, wife and child, Albert and Elmer and Geo. Heyser.

John Hessler from Cashtown was the guest of his sister, Mrs. Wilson Hummelbaugh, on last Friday and Saturday.

Frank Watson, wife and child, visited friends at Roadside, Franklin county, last Sunday.

Joseph Kelly, Director of the Poor, from Gettysburg, was the guest of Henry Peters on last Saturday. W. H.

## VISITING IN THE VALLEY

Buchanan Valley, July 25, 1905.—Mrs. Annie C. Cole of Hagerstown, Pa. is at Hon. Francis Cole's of the "Narrows."

Miss Mary Hall is suffering from a cold.

Master Earl and Raymond Beezer of Pittsburgh are visiting relatives in the valley.

Samuel J. Irwin Jr. and John Irwin Jr. are assisting in the survey of the State Reservation.

Mrs. Louis Brady of York is at James McKenrick's.

Miss Annie Beezer and friend of McKnight-town spent a day in the valley at James McKenrick's.

Mr. and Mrs. A. W. Cline spent a day in Chambersburg last week.

The outs is pretty nearly all out in the valley.

St. Ignace congregation will hold their annual Picnic in Kinple's Grove on the 12th of August.

## Personally Conducted.

Excursion to Pullman Forest sleeping car from Chicago to San Francisco, Los Angeles and Portland, without change, via the Chicago, Union Pacific and North-Western Lines. Colonist one-way tickets will be on sale during September and October at only \$3.00 from Chicago, with correspondingly low rates from other points. Double berth in tourist sleeping car only \$2.00. Booklets, with maps and full information sent on receipt of 4 cents in stamps. W. B. Kniskern, P. T. M. C. & S. W. Ry., Chicago.

## Eel Stops Mill.

The machinery at Wiernum's mill in Huntingdon township was suddenly

stopped one day last week. The miller, George Guise, making an investigation found a two foot eel wound around the turbine wheel in such a way as to cause the trouble.

## Trust Company Building.

The brown stone work on the Citizens' Trust Co. was completed yesterday, the last stone being put in place early in the morning. The trees in front of building were then removed and scaffolding taken down and a better idea was obtained of the beautiful building.

Wm. H. Johns, contractor, has given the work of carving of caps on columns and of the key-stone in arch to Thomas J. Carroll of York. Messrs. Stockley and McNelis of York will put in the tile floor and marble wainscoting. The contract for concrete work has not been given out. The Trust Co. gave the contract to Hagerstown Show Case and Store Furniture Co. for the inside furnishings to be of mahogany and plate glass.

## R. R. Surveying Corps.

A railroad surveying corps on the Western Maryland Railroad put in appearance last Thursday. They arrived on foot from Guilford. They have noted all sidings, switch, tracks, improvements, grades, curves and the like and have gone up the road towards Highfield. The object of their visit is unknown, it may be a complete map of road and improvements later as may be decided upon as result of survey.

## Held for Requisition.

George Johnson, colored, was arrested last week by Constable Charles H. Wilson and Deputy Sheriff E. J. Reeling and has been in jail awaiting requisition papers from Maryland. He is wanted in Frederick, being charged there with larceny.

## That Baby Story.

Hanover should not try to saddle on Gettysburg responsibility for baby found on train at that point and never reached here. On the Baltimore excursion train last Saturday night a newly born babe wrapped in bundle was found on platform of one of the coaches when train reached Hanover. It was taken off train at Hanover, buried along railroad, subsequently disinterred and buried elsewhere. It was a female child about four inches long and beyond doubt was prematurely born dead. It is supposed an excursionist on train met with an accident.

WE are indebted to the Gettysburg National Military Park Commission for a copy of their annual reports to the Secretary of War, 1893 to 1904. The volume contains over two hundred and thirty full page pictures, some showing work done, others being beautiful scenes of the battlefield, making a delightful pictorial record of Gettysburg.

AMONG the pictures from the county and town proposed to be given occasionally to our readers the battlefield will receive due attention, believing that they will be enjoyed and be desirable for preservation purposes. This week the Statue of "War" on the National Monument is presented. Though hundreds of memorials have been erected and thousands of dollars spent upon this field, it remains a fact that as a work of art the National Monument remains unexcelled.

ON second page will be found one of the stories of the battle which has not been previously told in print. It is the keenly interesting story of the Brigadier General hid in a wood pile in this place for three days, surrounded by Confederates and fed by a lady of the town. This story is from first sources as every story we propose to give from time to time shall be, preserving as far as in our power lies the characteristic way in which the story is told, for in that lies a charm as well as in the facts narrated.

THE list of announcements of candidates is growing and from rumors there will be other additions to it. Democrats have unanimously approved the advice of the Committee that every candidate owes it to his party to announce weeks before the convention. There has not been a dissenting voice to this proposition that we have heard. The party has the right to know the candidates long in advance so that their relative strength can be canvassed, that Democrats may express at primaries their choice and so as to prevent last hour combinations. It has been a source of gratification that our advice has been so widely approved.

**MARRIAGES.**

**Reilly—Harlie**  
John T. Reilly of McSherrystown and Mrs. Alice C. Harlie of Baltimore were married last Tuesday morning in St. Martin's church, Baltimore by Rev. Thos. J. Brody, rector.

## ALL OVER THE COUNTY NIAGARA FALLS EXCURSIONS

### INTERESTS JOINING MC-SHERRYSTOWN AND HANOVER

### Transportation, Lighting and Water Furnished the Two Towns From Same Sources

McSherrystown and Hanover have been united for a number of years by the trolley running between the two points, a trolley built by citizens of the two boroughs, but the control of which has passed to York parties interested in the York Traction Co. Last week repair hands removed weeds and grass along their tracks in McSherrystown, making a decided improvement.

The two towns have been joined together for some years on the lighting subject by the Hanover Light, Heat and Power Co. and this company has in hand a number of improvements to better their service. McSherrystown old arc lamps will be replaced by an enclosed lamp-burning 10 hours without a change of carbon, such lamps are used now in Gettysburg.

Last of all these two towns, separated by a county line, have been united on the water subject. After capitalists purchased the water companies of the two places several months ago, the first thing done was to connect the mains of the two companies, water being furnished both towns from the reservoirs, which put out of service the stand pipe in McSherrystown. It is said the connection of the mains gives at least 30 pounds more pressure in McSherrystown than heretofore and gives the latter "a much better facilities for fighting fires. The pumping station at McSherrystown will be retained for an emergency and water can be pumped direct into the mains of Hanover. The new water corporation has a number of improvements in progress. The reservoirs will be thoroughly cleaned. In a week or two the laying of a ten inch main from the Pigeon Hills will be started, the six inch main now in use being retained. The contract for digging and filling the trenches has been awarded Frank Deaver and pipe has been purchased.

The result of all these improvements will be a first class water service in the two towns.

**RHEUMATISM CURED IN 24 HOURS.**—T. J. Blackmore, of Hagerstown, Md., writes: "A short time since I procured a bottle of Myo-Cure. I got me out of the house in 24 hours. I took to my bed with Rheumatism nine months ago and the Myo-Cure is the only medicine that did me any good. I had five of the best physicians in the city, but I received very little relief from them. I know the Myo-Cure to be what it is represented and take pleasure in recommending it to other poor sufferers." Sold by Peoples Drug Store.

A COMPANY has been organized to build trolley from Hagerstown to Waynesboro, 12 miles.

**DO IT TO-DAY.**—The time worn injunction, "Never put off till tomorrow what you can do to-day" is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you a out that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over 35 years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, ever if it has consumed has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 50c regular size, 75c. At all druggists.

THEY recently consigned home of Vincent Little, McSherrytown, during absence of family. A gold ring was among missing articles.

**INFLAMMATORY RHEUMATISM CURED IN 5 DAYS.**—Morton L. Hill, of Lebanon, Ind., says: "My wife had inflammatory Rheumatism in every muscle and joint, her suffering was terrible and her body and face were swollen almost beyond recognition. I had been in bed for six weeks and had eight physicians, but received no benefit until she tried the Myo-Cure for Rheumatism. I gave immediate relief and she was able to walk about in three days. I am sure it saved her life." Sold by Peoples Drug Store.

**\$100 REWARD.**—The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**A WARNING TO MOTHERS.**—Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by J. H. Huber.
